OBJECTIVE

Final-year Computer Science student and **Full Stack Developer** proficient in the **MERN stack**. Passionate about building scalable web applications, contributing to open-source projects, and solving real-world problems through technology. Seeking an internship opportunity to apply my skills in developing innovative solutions while gaining hands-on experience and contributing to dynamic, forward-thinking teams that value continuous learning and creative problem-solving.

SKILLS

Technical Skills	JavaScript (Proficient), TypeScript, React.js, Next.js, Node.js, MongoDB, Tailwind CSS, Git
Soft Skills	Problem-solving, Communication, Teamwork, Critical Thinking, Time Management
Additional Skills	Responsive Design, Version Control, Debugging, API Development

PROJECTS

PlayForm: Developed a web app for sports match organizers to create custom player registration forms, manage responses, and download data in CSV/PDF formats.

- Technologies: React.js, Node.js, Express, MongoDB, Prisma, Tailwind CSS
- Personalized player forms with customizable fields.
- Real-time preview, response tracking, and export options.
- Mobile-Responsive and Dark/Light mode. [(API Link)](#) [(Source Code)](#)

Kannada Nudi News: Kannada-language news website with live updates, web stories, and news analysis.

- Technologies: React.js, Node.js, Express, MongoDB, Tailwind CSS
- Real-time updates and engaging web stories.
- Data-driven insights with interactive charts.
- Optimized for mobile and desktop. [(Website Link)](#) [(Source Code)](#)

CERTIFICATIONS

Mercuria Hackathon India Edition: Awarded for outstanding performance at Mercuria Hackathon, Bengaluru. Collaborated on full-stack prototype development.

Hacktoberfest 2024: Completed 4 pull requests across various repositories, contributing globally to open-source.

EXTRA-CURRICULAR ACTIVITIES

- **Coding Blogger:** Share coding blogs on [Medium](#) with tutorials and insights to help developers.
- **GitHub Contributor:** Maintained an 84+ day contribution streak on [GitHub](#).
- **Football Team Captain:** Led the college team and competed in university-level tournaments.
- **University Chess Player:** Competed in intercollegiate chess competitions.
- **Event Organizer:** Managed presentations and videos for college events, improving event engagement.
- **Volunteer:** Organized sports meetups and placement cell events, increasing student participation.

EDUCATION

Bachelor of Commerce, Mangalore University   Expected 2025 — CGPA - 7.5

Relevant Coursework: Web Development, Database Management, Software Engineering, and Cloud Computing.
